EXPERIENCE

Web Developer Intern

EIBO Services PVT.LTD

📅 Oct 2025 - Nov 2025 📍 MP, India

- **Developed** a responsive e-commerce frontend using **React.js** and **Tailwind CSS**, improving user engagement metrics by **20%**
- Integrated **RESTful APIs** to ensure seamless data flow between frontend and backend systems.
- Optimized **MySQL** database schemas for efficient management of product catalogs and user orders.
- **Resolved** critical bugs and implemented new features, reducing page load time by **15%** through optimized component rendering.

LLM Prompt Engineer Intern

ETHARA.AI

📅 Apr 2026 – May 2026 📍 MP, India

- **Designed** and **optimized** advanced prompts for Large Language Models (LLMs) to improve response accuracy, relevance, and contextual understanding.
- **Built** structured prompt frameworks for tasks like text generation, summarization, and translation.
- **Improved** AI output quality by refining system prompts, temperature control, and token management strategies.
- **Conducted** prompt testing, evaluation, and iterative improvements based on performance metrics.
- Reduced token usage by 15% through iterative prompt optimization and systematic temperature control strategies.

PROJECTS

Kairo X – AI Powered Job Application Assistant

Major Project

- **Kairo X** is an AI-powered job application assistant that helps job seekers create professional, ATS-friendly resumes and optimize their applications. **It analyses job descriptions**, suggests relevant skills and keywords, improves resume content, and provides personalized recommendations to increase the chances of landing interviews. With intelligent automation and tailored guidance, Kairo X streamlines the job application process and helps candidates present their best professional profile.

Gym Management System

Minor Project

- Developed a **modern and responsive gym website** that highlights gym services, membership plans, and trainer profiles. Focused on building an **engaging user experience** with smooth navigation and clear layouts. Designed and implemented **interactive UI components** using **React.js** and **Tailwind CSS**, ensuring the site looks great on all devices. Integrated call-to-action sections and clean visuals to attract potential members.
